OUR STORY

For over 20 years, Bodeans has been delivering authentic American BBQ to people of London. Inspired by the rich traditions of Kansas City, we've been serving a mouth-watering blend of classic BBQ styles ever since.

OUR PROCESS

All our rubs, seasonings, and BBQ glaze are crafted using our own secret recipes. We dry rub and rest our meats before smoking them in our specially imported Ole Hickory smoke pits, brought all the way from Kansas City. With years of expertise, our pitmasters use traditional techniques to deliver the juiciest, most tender cuts.

A DISCRETIONARY SERVICE CHARGE WILL BE ADDED
TO YOUR FINAL BILL.
All of the service charge is distributed amongst all our staff.
